* Covered preventive services listed are for the 2023 benefit year and may change after 2023. Some labs, when provided as part of a preventive visit, are covered at 100%. To understand what labs are covered, see plan for details or call Customer Care at 800-279-1301.

** Ask your clinic to verify your provider is in-network.

Your insurance may cover more services than are recommended. Talk to your doctor about which services you should receive. Visit **healthcare.gov** and search “preventive care benefits” to find a complete list of preventive health services.
